REQUEST FOR A CERTIFICATE OF CORRECTIONAttention: Certificate of Correction Branch
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Patentee hereby requests the issuance of a Certificate of Correction under 37 C.F.R. § 1.323 for the above-identified patent. The errors listed below, and on the enclosed Form PTO-1050, submitted herewith, are as follows:

On the front page, please correct the assignee to read as follows:

(73) Assignee: MedImmune, Inc., Gaithersburg, MD (US); Board of Regents, The University of Texas System, Austin, TX (US)

Please amend column 133, line 14 so that claim 19 reads as follows:

19. The modified IgG of claim 1, 2, 3, 4, 6, 7, 15 or 16 which immunospecifically binds to an RSV antigen.

When the Issue Fee Transmittal for Application Serial No. 10/020,354 was filed on March 10, 2006, the Board of Regents, The University of Texas System was inadvertently omitted as the co-assignee in the assignee information space provided in the Issue Fee Transmittal form. As a result, the patent issued incorrectly naming MedImmune, Inc. as the sole assignee. A Request Under 37 C.F.R. § 3.81(b) to Correct Assignee is submitted herewith.

Additionally, the text of claim 19 differs between the published patent and the last amendment filed. In particular, the word "immunospecifically" in claim 19, which was spelled correctly in the last amendment filed on March 10, 2006, is incorrectly spelled in the published patent as "inimunospecifically".

It is respectfully requested that a Certificate of Correction be issued for the above-identified patent to correctly identify MedImmune, Inc. and the Board of Regents, The University of Texas System, as co-assignees of the patent. In addition, it is respectfully requested that claim 19 be amended to replace the misspelled word "inimunospecifically" with "immunospecifically".

The fee due for this request under 37 C.F.R. § 1.20(a) is estimated to be \$100.00. The Commissioner is hereby authorized to charge such fee, and any other fee that may be required in connection with this request, to Jones Day Deposit Account 50-3013. A copy of this sheet is enclosed.

Respectfully submitted,

Date: October 23, 2006
